## Tip #1

Start installing the **3 main affirmations of *The 3 Keys to Miracle Success***, by committing them to memory and rehearsing them daily for the next 30 days. This is what we refer to as ***mind-training***. It is very important to develop mind-training as a lifelong practice.

### Here are the affirmations

#### *The Practical Key*

"I set and achieve clear, ambitious, and measurable goals."

#### *The Blueprint Key*

"I am aware of and undo my negative blueprints."

#### *The Inner Genius Key*

"I am aware of and use the guidance, strength, and plan of the Inner Genius (Universe, Spirit, Buddha, Jesus, Fore Brain, etc.), in what I think, say, and do."

## Tip #2

Print out the Venn Diagram on *page 5*, and post it somewhere you can look at it frequently – by your computer, next to the mirror in the bathroom, on a wall across from you bed, etc.

This diagram is a visual representation of The 3 Keys to Miracle Success, and functions like a mandala through it's symmetry, and the other sacred geometry symbols embedded in it.

Together with the affirmations, this Venn Diagram provides you with a powerful way to repeatedly focus your mind on your highest professional and personal aspirations as a leader.

And this is just the beginning – there is much much more when we work together to design and achieve your highest aspirations through miracles.
